### **Women In Distress of Broward County, Inc. Launches a Redesigned Website**

FORT LAUDERDALE, FL (May 21, 2010) — Women In Distress of Broward County, Inc. (WID) announces the launch of its upgraded and improved website. After almost a year of research, design, and programming, the updated site incorporates bright colors, clear navigation options and a fresh look at the issue of domestic violence.

With programming donated by Ed Garber of the Florida Design Group, the upgraded site provides users with a comprehensive overview of Women In Distress, including programs and services, ways to help, volunteer opportunities, and donation options.

The 24-hour crisis line 954-761-1133 is prominently displayed on each page throughout the site. The upgraded site has a new streamlined navigation and now provides links to Facebook, Twitter, and YouTube. Press releases, news and information on domestic violence are readily available in the “News” page.
