

Donate Hope

Donate new or gently-used items and give hope to families affected by domestic violence.

About Women In Distress

Women In Distress is the only nationally accredited, state-certified, full service domestic violence center serving Broward County, Florida. Our mission is to stop domestic violence abuse for everyone through intervention, education and advocacy.

Why host a donation drive?

Hosting a donation drive is a simple way to give back to your community and those in need. It is a team building activity, where family members, co-workers and friends can make a difference in the lives of adults and children affected by domestic violence.

How do donation drives help families affected by domestic violence?

By hosting a new or gently-used donation drive you will be providing families dealing with domestic violence with both comfort and the every day essentials they need to build their new violence-free lives.

Answer a Call for Help/Cell Phone Donations:

Cell phones play an integral role in the safety of the families we serve, as they allow for an individual to dial 911 in case of emergencies. Cell phones can also be recycled for a monetary donation to Women In Distress.

Car or Truck Donations:

Women In Distress can greatly benefit from your donation of a used or new car. The value of a car donation will allow Women In Distress to provide critical services to victims of domestic violence and their families.
