# DVAM EVENTS

**OCTOBER 11th**

**VIRTUAL Community Workshop**

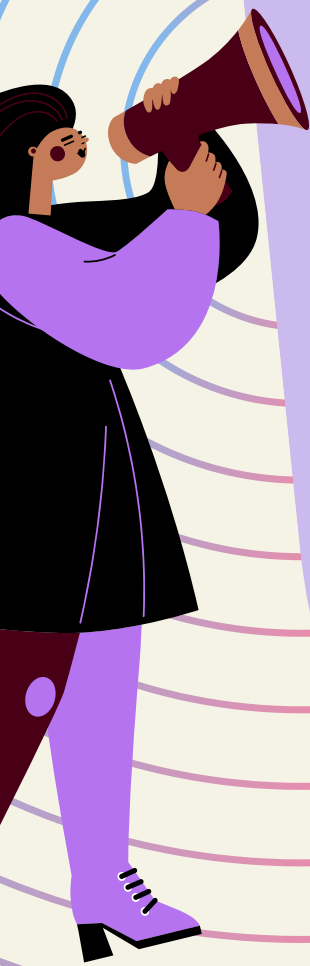

## Recognizing Domestic Violence: What It Is, How to Help, and Why It's a Community Issue

**October 11, 3:30pm-5:00pm EST**

**Register: <https://tinyurl.com/DVAM-WID-Oct11>**

This introductory-level workshop, open to all community members, will cover the dynamics of domestic violence to build an understanding of the various forms of abuse and warning signs survivors may experience, leading to an exploration of ways to support survivors and to promote greater safety and violence prevention in the community, as we work to understand that domestic violence as a community-level, public safety and public health issue.
